

CANUA

ISLAND

Imagine an island uncharted on any map, drifting solely at the whim of its inhabitants.

A mystical haven where time stands still.

CANUA Island is a unique oasis—chic, authentic, and environmentally conscious—designed in perfect harmony with the sea.

A floating sanctuary where refined surroundings, elegant décor, and lush exotic flora awaken the spirit of travel, offering a seamless fusion of experience...

Spanning 1,750 m² and accommodating up to 350 guests across two levels, this 41x31m trimaran boasts a restaurant, a bar, a pool, and a 360° lounge—inviting you to revel in the breathtaking beauty of the Mediterranean's crystal-clear waters.

A FESTIVE & SPECTACULAR DESTINATION

A FESTIVE & SPECTACULAR DESTINATION, CANUA Island

A place of unity and celebration, CANUA Island comes alive with vibrant performances and an electrifying atmosphere. DJs, artists, and singers set the rhythm, turning this extraordinary trimaran into a floating stage for unforgettable moments.

UNIVERSAL, FESTIVE & WELCOMING

CANUA Island is synonymous with joy, wonder, and shared experiences. From sunrise to sunset, unwind to the sounds of live performances—whether by the pool, on a plush sunbed, or at the upstairs restaurant, where breathtaking panoramic views of the Azure Coast unfold before you. A truly idyllic setting, with warm, attentive, and discreet service, ensuring every moment is pure bliss.

EXPERIENCE THE UNFORGETTABLE

For memories that last a lifetime

Whether for private or corporate events, you will find here the ideal location to create unforgettable memories.

CANUA Island is a unique venue at sea. Designed as a self-sufficient 1,750m² island, the vessel is ideal for hosting private and corporate events.

Seminars, incentives, anniversaries, weddings, hen parties... There's nothing we love more than seeing your events come to life in the breathtaking setting of CANUA Island.

Perfectly immersed in the Mediterranean, far from earthly distractions, CANUA Island offers an ideal retreat to disconnect from the rest of the world.

CANUA Island is fully privatizable and can host up to 350 guests across two distinct areas: the poolside space and the lounge area, with 360° panoramic views.
